

A Wellness Reimbursement Program for healthy living

A healthy lifestyle should be rewarded! That's why your health plan includes a Wellness Reimbursement Program to support you and your loved ones in staying healthy.

Whether you're looking for an affordable way to get active or lose weight, or you need an extra incentive to quit smoking, the AmeriHealth Administrators Wellness Reimbursement Program can make it easier to live healthy.

Take advantage of benefits such as:

- **Weight management.** Receive up to a \$150 reimbursement when you enroll in one of the following:
 - Onsite WW® program
 - WW Online® program
 - Onsite in-network hospital-based program
- **Bicycle helmets.** Get a \$25 reimbursement when purchasing a bike helmet that meets the Consumer Product Safety Commission Standards or one that is certified by Snell Memorial Foundation.
- **Fitness reimbursement.** Whether you attend a fitness center in person or subscribe to virtual fitness programs for at-home workouts, you can get reimbursed up to \$150 of your yearly fees.
- Fees can include fitness club fees or subscriptions to programs that you join online — or a combination of in-person and virtual program costs — when you meet all requirements.
- **Tobacco cessation incentive.** You can get full reimbursement of fees, up to \$150, when you complete a tobacco cessation program.

How to get reimbursed

Email your requests for reimbursement to the Wellness Reimbursement Department at healthaccountplus@ahatpa.com. You will receive reimbursement after AmeriHealth Administrators verifies your documentation. Please read the full eligibility requirements before submitting your requests for reimbursement.

Questions?

Call the number on the back of your ID card.

Weight management reimbursement

Get up to \$150 back

Your Wellness Reimbursement Program can put \$150 back in your pocket if you participate in a qualified weight management program. You can attend in-person meetings through WW or an in-network hospital-based program, or join online at ww.com. Just follow the steps below and you'll be reimbursed for getting healthy.

Eligibility

Active plan members in your health plan are eligible for one reimbursement of up to \$150 per covered plan member, per 365-day period. If you participate in more than one program in a 365-day period, only one can qualify for reimbursement.

WW or WW Online program

1. **Join WW.** Find an onsite location, or join online at ww.com.
2. **Your first visit counts.** The 365-day period begins on the date of your first visit or the date you join online.
3. **Save receipts.** Mail your receipts or email confirmation as proof of payment.
4. **Submit for reimbursement.** Mail your receipts for reimbursement no later than 90 days after the end of your 365-day benefit period.

In-network hospital-based program

1. **Join an in-network hospital-based program.** Find a program that is in-network and works best for you.
2. **Your first visit counts.** The 365-day period begins on the date of your first visit.
3. **Save receipts.** Be sure to provide proof of payment and participation.
4. **Submit for reimbursement.** Mail your receipts and proof of participation for reimbursement no later than 90 days after the end of your 365-day benefit period.

Bicycle helmet reimbursement

Get \$25 back when you buy a helmet

Eligibility

Active plan members in your health plan are eligible for one reimbursement of up to \$25 per covered plan member, per 365-day period.

Getting reimbursed is as easy as 1, 2, 3!

1. **Purchase a qualified bicycle helmet.** The helmet must meet the Consumer Product Safety Commission standards or be certified by the Snell Memorial Foundation.
2. **Save your receipts.** Be sure to save proof of purchase and proof of helmet certification, such as a tag, box, or receipt.
3. **Request your reimbursement.** Submit your receipt and helmet certification no later than 90 days after the end of your 365-day benefit period.

These items are not eligible for weight management reimbursement:

- Dietary supplements
- Plans that require the purchase of food products designed for use with the plan
- Injections
- Meal plans
- Liquid meals

Tobacco cessation reimbursement

Get up to \$150 back

You can be reimbursed up to \$150 in any 12-month period upon confirmation of your successful completion.

Eligibility

Active plan members in your health plan are eligible for one reimbursement of up to \$150 per covered plan member, per 365-day period. If you participate in more than one program within a 365-day period, only one is eligible for reimbursement.

Ready. Set. Quit!

- 1. Complete a tobacco cessation program.** Join any in-network hospital-based program that focuses on behavior modification and provides regular support, such as weekly meetings or telephone-based sessions.
- 2. Your first visit counts.** Your 365-day period starts on the date of your first visit.
- 3. Request your reimbursement.** Submit documentation from the facility stating you completed the program along with proof of payment, no later than 90 days after the end of your 365-day benefit period.

Fitness reimbursement

Complete 120 workouts, get reimbursed

Exercise regularly and you can earn back up to \$150 per year of your gym membership fee, virtual fitness subscription, or a combination of both.

Eligible fitness programs

Fitness facilities. An eligible fitness facility must be full-service and offer continuous cardiovascular, flexibility, and resistance training and classes, such as: aerobics, spinning, body sculpting, kickboxing, resistance training, free weights, treadmills, elliptical, pool for laps, track for running/walking, and CrossFit in a supervised setting.

Virtual subscriptions for at-home workouts. Virtual subscriptions approved for participation include Peloton, Nike Training Club, MyFitnessPal, Polar, and other trackable activities that encompass a fitness facility workout.

Eligibility

Active plan members in your health plan are eligible for one reimbursement of up to \$150 per covered plan member, per 365-day period. You must be enrolled in the health plan at the time of your reimbursement.

- 1. Join a gym or online subscription service.** Choose a full-service fitness center or virtual subscription service as described above.
- 2. Exercise 120 days in a year.** Complete and record 120 workouts within 365 days. You may record up to one workout per day, and each workout must last at least 30 minutes. You can count eligible workouts at a gym, eligible virtual subscription workouts at home, or a combination of both.
- 3. Your first workout counts.** The 365-day period begins with the date of your first workout.
- 4. Record your workouts:**
 - For workouts at a gym, get a computer printout of your attendance from your gym or use the log in this booklet. If you use the log, it must be completely filled out and *signed by a fitness facility representative*.
 - For virtual subscription at-home workouts, complete the log in this booklet or use a digital log if the service offers one.

The following costs and programs are not eligible for tobacco cessation reimbursement:

- Copays, coinsurance, deductibles
- Hypnosis
- Acupuncture
- Dietary supplements
- Injections
- Electronic cigarettes

How to get reimbursed

Email your requests for reimbursement to the Wellness Reimbursement Department at healthaccountplus@ahatpa.com.

7. Provide receipts. You'll need either: (1) proof of your membership fee payment on fitness facility letterhead or (2) a copy of the fitness facility contract and receipt and/or verification of the original virtual subscription payment receipts and the virtual visits.

8. Request your reimbursement. Submit your proof of payment and the logs or printouts of your visits/workouts no later than 90 days after the end of your 365-day benefit period. The 365 days start on the date of the first visit/workout you submit.

Lifetime memberships

You can receive up to \$150 reimbursement of the membership fees you paid during your 365-day fitness program benefit period.

Lost workout data

If you use a fitness facility printout as your workout log or track/log your at-home workouts digitally with your online subscription service, you assume the risk that some workouts may not be credited toward the reimbursement if your fitness facility or service has computer or other difficulties. We do not assume any responsibility for the reliability of fitness facility computer systems or online subscription services. To prevent issues of this type, you can complete the log to track your workouts.

Ineligible programs

Memberships for athletic clubs that focus on a single competitive or recreational sports activity are not eligible for reimbursement. Personal fitness instructor fees are not eligible for reimbursement. Ineligible programs also include: Pilates; yoga; outdoor "boot camp" style program; tennis; chiropractic services; racquetball; squash; golf; basketball; recreational swim clubs; dance school; sculling/rowing; martial arts; karate class; sports leagues; or country clubs.

Falsification

Logging in for another member at a fitness facility is prohibited.

Falsification of information in order to receive your reimbursement is strictly prohibited.

Wellness Reimbursement Fitness Log

Fitness center signature required for in-person fitness center workouts. For virtual workouts, please include a copy of the subscription service's digital log.
